

Visit us at ModelCARE 2011!

September 18 - 22, 2011 - Leipzig, Germany

For more than 15 years Visual MODFLOW* has been used by environmental consultants, government agencies, and educational institutions around the world to evaluate groundwater remediation scenarios, manage groundwater supplies, and research aquifer systems.

To get an exclusive first look at **Visual MODFLOW Flex*** - the next generation of innovative modeling software technology - we welcome you to come visit us at the **Software Demonstration Session** and also on the exhibit floor at our common booth with our German distributors Eigenbrodt and UTK EcoSens in the **Kubus Foyer**.

When and where?

Software Demonstration Session

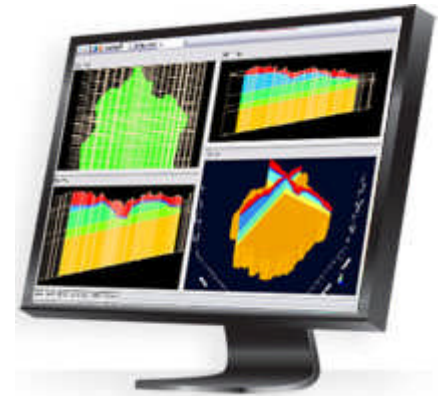

Monday September 19th, 2011 from 7:00 to 9:00 PM

Saal 2 in the Leipziger Kubus building

Permoserstraße 15, 04318 Leipzig

Refreshments and snacks will be provided.

We look forward to seeing to you!

Come and discover the power of
Visual MODFLOW Flex
